

How to be a Survivor - Copass Island

June 15-19, 2009

Do you want to learn the skills to become a survivor? Do you have the character needed to survive Satan's attacks of credibility? Join us in this time of fun, fellowship, worship, and competitions. You are going to learn many outdoor skills and everyday skills while at camp. Let's see if you got what it takes to build a fire without matches, cook a meal without utensils, and build a bridge out of rope. Don't miss the great opportunity to learn many outdoor skills and participate in many outdoor games. Come challenge your character against the one Christ has in store for you. Hurry! First 30 get accepted.
